

ADMISSIONS POLICY

At Rida Boys' High School, we believe that every child should be given the opportunity to develop to the highest standard academically and also spiritually, with good morals, social skills and cultural awareness to become a well-rounded individual. Through our Vision, Ethos and Aims, at Rida Boys' High School, we provide this opportunity for our children and are pleased to do so within an Islamic environment.

We anticipate all applicants to give their commitment, respect and wholehearted support to uphold and maintain our school ethos and values. This does not affect the right of parents who are not of the faith of this school to apply for and be considered for a place.

We expect parents to support the school's fundraising efforts through volunteering their time. We are a non-profit organisation operating under challenging financial pressures and as a result we require the support of parents to raise much needed funds for the school.

In line with our Islamic values, we do not tolerate extreme religious or political views in any capacity. This includes any views which are prohibited under the law as well as those views that contravene our ethos and stance on equality, tolerance and respect for all, regardless of race, gender, faith (or none) or sexual orientation etc.

Aims

The aim of this policy is to ensure that every child has fair and equal access to the school. We are an inclusive school that welcomes children from all backgrounds. All applications will be treated on merit and in a confidential and sensitive manner. On application to the school at any stage the admissions criteria will be applied fairly to every child. This policy also sets out the appeals procedure and the possible outcomes.

Please note that children with a statement of special educational needs (SEN) are dealt with under separate admissions criteria, see paragraph below.

Admissions Criteria

First Stage of Application

After an application has been received the child and parents will be invited for an **interview** with the Head Teacher and a member of the Governing Body.

A **report** from the current school will be requested and the child will be required to sit an **entrance test** to ensure to we are able to cater for the child's needs and ability.

Second Stage of Application

If your child is successful on the stage above, then the child will automatically receive a place at Rida Boys' High School.

If there are more successful applicants than places, the following priority criteria will apply:

- Vicinity/catchment
- Behaviour
- Work ethic and attitude
- Interview parent and child
- Ability
- Siblings

Total points will be used to determine places in each of the six areas outlined above. The weighting of points in each of these areas can be obtained by contacting the school.

If a child is withdrawn from the list or an allocated place is refused or a child is withdrawn halfway through the academic year, she will be put at the back of the waiting list.

Procedure for Admission

Visiting the School

- Parents should visit our school before registering their child
- Parents should telephone the school office to book an appointment to be shown around the school.

Registration

- Parents who wish to apply for a place for their child should complete an Application for Registration form which can be obtained from the School Office or can be completed on the school website.
- The application form should be returned to the office along with an original birth certificate of the child, if completed online birth certificate can be uploaded.
- Applications for Registration must be submitted as early as possible to avoid disappointment
- If the application is successful the school office will send parents an Offer of a Place Letter
- Parents should accept this offer by signing the Acceptance Form and returning it to the school office

Time and Age of Entry

Children will be admitted to the school at any age or at any time of the year, subject to the availability of a place and the child meeting the required attainment levels and admission criteria at the relevant time.

Class Sizes

- Our focus is on a quality education and for that reason our class sizes will not exceed 14 children.
- If we do not offer a child a place at the school, it is because to do so would prejudice the education of other children by allowing the numbers of children in the class to exceed our stated maximum class size.

Application for Children with Special Educational Needs (SEN)

- This is consistent with our aim that all children should receive the best educational care and attention in order to develop the child to the best of his/her potential and in line with their peers;
- On this basis, we will consider applications of children with SEN on individual merit;
- On successful application, we will work with the child, the parents and our SEN co-ordinators (SENCO) and an individual educational plan will be developed for each child.
