السَّلَامُ عَلَيْكُمْ

Dear Parent

We hope and pray you receive this letter in the best of health and Imaan.

We acknowledge the need for our students to be able to study independently and increase their knowledge in subjects. Additionally, we echo the requests of some parents for the students to have some additional resources that the boys can access. Therefore, we have created a list of resources to assist the students in their studies allowing them to excel further.

These resources can be used to consolidate on knowledge gained in the lessons as well as further study.
